

FIBERGLASS GUTTER SYSTEM KITS

Fast Installation -- No Forming, No Pouring, No Painting

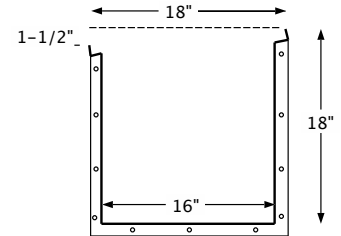

The preferred modular fiberglass gutter system for rimflow pools, zero entry, beach entry and spray deck designs.

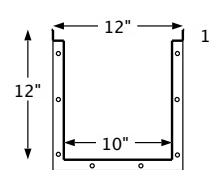

- Multiple layers of premium fiberglass & resin for maximum structural strength
- Works with most grate systems
- Waterstop flange
- Easy leveling tabs
- Straight or custom radius
- Outlets installed to project specifications--sides or bottom
- Low Maintenance
- Easy Installation - No Forming & Pouring
- Appropriate for all geographic regions

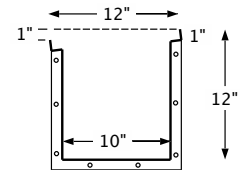

Level Top 18" Gutter

Zero Entry 18" Gutter

Level Top 12" Gutter

Zero Entry 12" Gutter
